Dear Political Science Alumnus:

Greetings from the Department of Political Science!

We understand here at CofC that undergraduates aren’t the only ones who’d like support or a little extra encouragement. It’s important to look after our faculty too. Below we shine a spotlight on Carmen Conley and Caroline Fowler Allen.

Carmen Conley ’88

We’ve had the pleasure of welcoming Carmen back to our Political Science Department. Carmen was our first student in the fall of 1988 and has been with us along the way as we’ve grown to be a vibrant and accomplished program.

Caroline Fowler Allen ’08

We have much to CELEBRATE this semester, including the addition of a new faculty member: Dr. Dr. Hollis France, who has been with us since the fall of 2019. The addition of Dr. Rivet to our program brings focus to our geography minor and the myriad of ways these two disciplines complement each other in today’s world. Dr. Rivet’s work in geography and political science encourages us to look for the geography of power and the importance of examining the ways in which power is distributed in our world.

Dr. Hollis France

Promotions

In celebration of the 20th anniversary of our promotion to Chair of the School of Humanities and Social Sciences, both promotions were made to Dr. Hollis France and Dr. Douglas Rivet.

Dr. Hollis France

Dr. Douglas Rivet

Support

Support for our programs is more necessary than ever. Budgets have been permanently cut across all disciplines and without outside support, we will struggle to continue the research and conferences at the same levels we have in the past. These experiences are vital to our students and we need your help. If you are able, please consider a donation. We thank you in advance for your generosity.

Be Involved in our Suggestion Box

If you have any feedback or suggestions, we are always interested in hearing from you. Please submit your comments and suggestions, anonymously if desired, using the form below. We look forward to hearing from you.

The hope you have a healthy and happy holiday season. Be safe: wear a mask!
