

Teamwork/Collaboration

Teamwork consists of building collaborative relationships with colleagues and customers representing diverse cultures, races, ages, genders, religions, lifestyles, and viewpoints. The collaborative individual is able to work within a team structure, and can negotiate and manage conflict.

Adapted from the NACE Career Readiness Competencies

- ✓ Are you open to others' ideas and listen effectively in group project situations? Can you offer your ideas easily?
- ✓ In group projects, do you do your fair share of work without doing all of the work?
- ✓ Are you part of a campus organization?
- ✓ If you live with roommates or work with others, are you able to resolve conflicts that arise?
